NUISANCE UPDATES: The Joint Solid Waste District has approved an additional \$32,500 in grant funding for the Canton Recycle Center. The money will be used to purchase high-visibility safety clothing for staff, security cameras, Apple iPads, technology to implement an appointment system for household hazardous waste drop off, a tool bench, and tools. Exterior lighting at the center is poor and donors are being sought to provide assistance. Annie is working with the Chief Building Official and City Service Director to accomplish this goal by the end of the year. Canton Police and Vice have provided cameras to investigate the open dumping in the northeast, and prosecute offenders. Health and Sanitation have been taking turns cleaning up this area approximately twice per week. City Engineering's Sign Dept. has made several signs for Health, some for traffic control at a potential mass COVID-19 testing event, others for the Recycle Center. Street Dept. will assist with traffic design and provide cones for a mass testing. Street is also transferring one of their dump trucks to us for cleanups.

FOOD UPDATES: Vice reported that two of our licensed facilities were found to be serving alcohol inside, which is in violation of the Stay Safe Order. Vice is working with Ohio Investigative Unit, State Liquor Board, and the Prosecutor's Office. These facilities are Chillaxx at 918 Cherry Ave NE (formerly R-Bar on Wertz) and Irish Exchange at 3824 W. Tusc.
